

NEWSLETTER

NUMBER 24

MARCH, 2011

Dear ENTOG friends,

Another ENTOG annual event is about to start!! In 40 days the exchange program will begin in selected Hospitals all around the United Kingdom. If you are one of the exchangees, please make sure to check all the requirements with the LOC before you fly to the UK.

ENTOG has a great scientific program to offer you this year, and you are very welcome to join us and EBCOG on Friday for our Session and on Saturday morning for the ENTOG Council (both preliminary programs attached to this newsletter). Your input is essential! We will have posters exhibited at the RCOG, and we'll choose the best work made by a trainee.

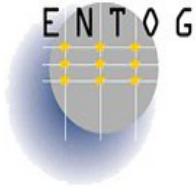

A fantastic social program is being prepared by the LOC, so that we may also have a chance to strengthen the bonds between member-countries' networks. Welcome to the ENTOG UK 2011 event and I wish you all a very pleasant experience!

Nuno Martins
ENTOG President

1 – UNITED KINGDOM 2011

We would like to remind you that, as usual, we invite two trainees from each ENTOG member country (endorsed by

their national network of trainees) to spend four days - May 2nd to 5th - as exchangees in a British Hospital. Most countries have registered their trainees by now, but if you haven't yet, please do so before next Monday, 28th of March, as we will no longer be able to guarantee a slot after that (countries who have requested a third slot will be awarded one by then).

Unfortunately, the Scientific Committee decided not to accept all the abstracts submitted and authors will receive notification of acceptance shortly, before the 31st of March.

On Saturday, the ENTOG Council will take place, where all the big decisions for the future of trainees will be made and where we will elect the new Executive for 2011. We hope to see at least one person from each member country at Council (if you cannot be present, representation by another country is possible – contact us to know how to). We have received so far 2 motivation letters to join the Executive (in attachment). We have one bid for the ENTOG event in 2013 up to this point, a joint proposal from Czech Republic and Slovakia.

If you have not registered yet, please do so as soon as possible at www.entog.org “Event London” (blue bar). We have created a direct link for non-trainees at the same page (top left, 3rd line under blue bar).

2 – FIND OUT MORE ABOUT...

- EBCOG has a great new website!! Please visit <http://www.ebcog.eu/>
- If you are familiar with Joomla and web programming, please volunteer to help out the Executive and our webmaster – trainees need you!

3 – CONTACTS

If you wish to get an automated newsletter (and you don't receive it yet), you can register at www.entog.org_newsletter subscription. You can also use

this pathway to cancel its reception or to have access to our files and downloads.

Please contact us with comments and suggestions at executive@entog.org!
